## HISTORY OF JAZZ FUNK

- Jazz funk - it's a street jazz of new generation, and represents like a mixture of different dance street and club styles emerging in the early 21st century and jazz dance basics. Jazz funk choreography appeared as on the composition of pop music of the early 21th century and now develops professional and amateur choreographers. One of the first choreographers in this style were Kevin Maher, Brian Friedman, Bobby Newberry. Jazz funk may include movements typical for jazz dance: rotation jumps, splits and halfsplits, levels changing, drops, a shift of emphasis, slowing, stopping, wich combined with a stylized performance of the basic elements of street and club dance styles such as dancehall, hip-hop, house, salsa, waacking, vogue. In jazz funk often used poses and stop, combined with jazz penetrations characteristic for vogue and waacking. In the actions of the hands and body dominated mannered movements characteristic for vogue and waacking culture. Since the music that is performed choreography, can be different genre (dancehall, electro, house, dub step, Latin rhythms, etc.), then the priority of the use of dance movements may be different. Unchanged, perhaps, there is only "shocking" and mannerisms in the performance characteristic for vogue and waacking, although it is often left to the discretion of the choreographer. Current popular music of the early 21st century - a hybrid of rhythmic, melodic and vocal solutions of various musical genres, such as electronic music, dub step, hip-hop, house, dancehall, salsa, etc. This music has a completely new rhythms and melodic sound and satisfies (as well as any pop music of his generation) musical tastes of the younger generation of the early 21th century, whose tastes are formed, largely influenced by the achievements of the modern music industry. The most well-known artists such music: Beyonce, Katy Perry, Rita Ora, Selena Gomez, Ciara, Nicki Minaj, Jessie J, Britney Spears, the Pussycat Dolls, Miley Cyrus, Nicole Scherzinger, Ke \$ ha, Christina Aguilera, Lady Gaga, Rihanna, Kelly Rowland, Keri Hilson, Nelly Furtado, Iggy Azalea, Chris Brown, Leona Lewis, Jennifer Lopez, Wanessa, Natalia Kills, Pink, Fergie, Madonna, David Guetta, Gwen Stefani, Shakira, Alicia Keys, Lindsay Lohan, Janet Jackson etc.
- Dancer shows his/her preparation through execution of the choreographed piece that should not be a sequence of micro-movements without coordination but a smooth sequence of both fluid, fast and coordinated steps supported with good technique, body motion expressiveness and a proper costume.
